

Sheriff Department Questionnaire

Please answer the following questions if the applicant is a sheriff's department (established or start-up):

1. What is the actual population for which your department has primary law enforcement authority? (In other words, the population minus the incorporated towns and cities that have their own police departments.)
2. If possible, please try to break down the time spent by your entire department on different types of activities. (For example: 50% law enforcement duties; 30% courthouse/bailiff duties; 20% jail duties)
3. Out of the total amount of time spent on law enforcement duties, how much of that time is spent on community policing activities?
4. Please describe some of the community policing activities your department participates in (oversees/coordinates, etc).
